OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE.

Notification dated 27th March 1916.

It is hereby notified that Departmental Officers have been posted at Chikmagalur and Saklespur in connection with Green Bug work. Applications should be made to these officers for assistance and advice regarding infection and spraying and for sprayers and chemicals. Sprayers and chemicals are also stocked with the Secretary, Native Planters' Association, Saklespur. Sprayers will be loaned out free on application to the hitlu owners and chemicals for spraying can be had at cost price. For satisfactory results, owners in a locality both of hitlus and of large estates are advised to co-operate and carry out spraying in all the infected estates.

In place of the imported sprayers which can no longer be had on account of the War in Europe, a few have been made locally to meet the local demand. They are of two-gallon
